

# Host a Fundraising Party - Make a Difference!

We've never hid our mission:

*To redefine the lives of others  
through career opportunities,  
the products we make  
and the charitable actions we encourage.*

The recession has hit everywhere, including vital non-profit organizations in our communities. Now, more than ever, Bagolitas is committed to giving back and you can be part of the movement.

Now, when you host a Bagolitas event in support of the non-profit organization of your choice, you have the option of donating your Bagolita Bucks! In exchange, Bagolitas will make a donation of 10% of your party sales to the charity of your choice. It's that simple. Just imagine the difference you can make!

<i>If guest sales are...</i>	10% donation to the non-profit organization of your choice	+	50% off items for you to keep!
